College Programming Committee

Delegates to the 1995 National Association for Campus Activities National Convention in Anaheim California pose for some group shots. Campus Programming Committee members get into the holiday spirit as they trim the tree for the TUB.

Irish exchange student, Adrian might have only been at Westminster for one year, but he was more involved in activities than most of the other students.

Advisor of the College Programming Committee, Camile Hawthorne motivates and works with the students in each every project they pursue.

"Rimer, is that a boinker you're holding?" the staff asks while waiting anxiously for their Fresh Start Teams ►

"This is great!!!" thinks John Davis when he discovers that his bundle only goes to the first floor. ▼

"Hurry it up, will ya?" I've got work to do." Another cheerful staffer hard at work. ▲

"Is this a case of mistaken identity?" Heather Bloom and Teri Ann Mensch are ready for their first team meeting. ►

Me?" a frustrated Keith Bittel asks. Keith is the only staff member carrying
ators at Shaw Dormitory. ▼

"We're ready to go!" exclaims the Hillside/Jeffers crew as they prepare to move in
freshmen. ▲

"What's going on?" a staff member realizes he's been carrying luggage way too

W

elcome to Westminster

Fresh Start is the name of Westminster College's freshmen orientation. A group of seventy-five WC students, Senior Coordinator Kelly Horn, Junior Coordinator Gretchen Clutter, and Associate Dean of Students Camille Hawthorne compose the Fresh Start Staff.

It is considered an honor to be a part of the Fresh Start Staff because it requires skill and knowledge, and the competition is fierce. In February applications are taken.

Each staff member goes through a two step interview process. Because it is such a popular event, there may be as many as four or five students competing for each slot. The chosen staff then begins

meeting in April and keeps in touch through the summer in order to prepare for the big event.

The staff is arranged into several committees and the chairs for each committee are members of "Go Team". They, along with the tie-dye committee, arrive a day before the rest of the staff. That's right — they tie-dye their own shirts!!!

When the freshmen actually arrive, the staff has it's work cut out. The biggest job is moving everyone into the dorms. The following days

are jam-packed with events such as Games People Play, WC Af-fair, a football game, and basic orientation events such as meeting with advisors.

"When I think of Fresh Start, Fresh Start is memories — it's memories of a group of individuals gathering together for a common purpose: to represent Westminster College. And in my mind, I cannot think of a greater way that such an institution as Westminster College could be represented." — Kelly Horn.

F all Retreat

The Fall Retreat is a program sponsored by the Chapel. The Spiritual Growth Team, one of the student committees involved with the chapel, is in charge of the event. The team works in cooperation with The Coalition for Christian Outreach. The Coalition for Christian Outreach provides all of the equipment and specialists in wilderness education.

A total of forty-four students at-

tended the retreat, and the sign-up sheets were filled almost immediately. The Retreat was held September 30th through October 2nd at Seneca Rocks. Seneca Rocks is located in Spruce Knob, West Virginia, a national forest.

"God made life to be lived — So live it." — Wayne Nickerson.

Upon arrival, the students divided into sleeping and eating groups. They then took

their choice of the four activities available: rock climbing, repelling, traversing, and caving.

HABITAT FOR HUMANITY

Their goal: To end homelessness around the world.

Over the past three years, Westminster's chapter has raised over \$60,000.

During the J-Term 13 students, Dean Nickerson, Elizabeth Derr and a translator, Jean Guenther traveled to Alta Verapaz, Guatemala to build homes.

“Good-bye”

I know the moment is coming
the day is drawing near
when you must go and say “Good-bye”
and leave me standing here.
But don’t just walk away
don’t hang your head and cry
for in the past we’ve built a trust —
a friendship that will not die.
We worked out many problems
and boy there’s been a few.
Many different times we thought
we wouldn’t make it through.
Very soon our paths will cross,
but we never know just when.
A “Good-bye” seems like forever
so . . . until we meet again.

100th Season of Titan Football

In 1994 Westminster College celebrated its 100th year of football. The year will be remembered forever in Westminster history as the Titans won an unprecedented 6th NAIA Division II National Championship. The game was even more meaningful, because it allowed the team to gain revenge over a Pacific Lutheran team that had defeated the Titans in the 1993 title game.

As a Westminster Titan, the proud history of the Titan tradition is always felt. This history was begun by Dr. Harold E. Burry in 1952. Dr. Burry was responsible for the first undefeated team, as well as the first National Championship team. Dr. Joseph Fusco took over after Dr. Burry in 1972. Continuing the tradition, Dr. Fusco won four National Championships. In 1991 Gene Nicholson became the third Titan head coach in forty-two years.

It has been five years since the last National Championship. No player on the team knew what it was like to be the best. On December 17, 1994 we all understood what it meant to be champions. We flew to Portland, Oregon to battle a foe that had soundly defeated us the year before 50-20. The team felt as one when others felt that we had no chance to defeat our opponents. When time ran out for the Lutes, the Titans had won 27-7.

The season produced two first team All-Americans and one second team All-American. Coach Nicholson was named coach of the year. 1995 marks the beginning of a new season of Westminster football, and a new century of Titan tradition.

Tribute to a Friend

He will live in the hearts of the friends he made
and be known always for the foundation he laid,
Because Goodness and Fairness never die —
they go shining on like sun in the sky,
Just as Honor and Truth endure forever,
Death is powerless to destroy or to sever . . .
So his gallant soul has taken flight
to a land where there is no night,
He is not dead, he has only gone on
to a brighter, more wonderful dawn.

— Helen Steiner Rice

In loving memory of
Todd P. McLain
1973 — 1995
